

INDIA NEWS

PRESS RELEASE

Visa applicants are advised that with effect from February 01, 2010, they will be required to compulsorily fill the visa application forms online at the website of the Indian High Commission (www.india.org.pk). After the application is filled online, applicants should take a print-out of the application form and bring it to the High Commission with all the necessary documents for submission.

Visa applicants will also continue to have the option of sending their applications through the visa drop box service of the two authorised courier companies i.e. TCS and FEDEX.
