## PRESS RELEASE

The scheduled bus services between India and Pakistan, Delhi - Lahore, Amritsar-Nankana Sahib and Amritsar-Lahore, are being resumed. Bus services between Srinagar and Muzaffarabad and Poonch-Rawalakot would also run as per their existing schedules. The Samjhauta Express has departed as scheduled.

The Thar Express, running between Munabao-Khokrapar, however, remains suspended on the advice of Pakistan Railways. Instructions have been issued for extension of visas of Pakistan nationals who were to travel on this service, by a week, if so required. Pakistan nationals who intended to travel on this service and need to travel back to Pakistan urgently may approach the concerned FRROs at Mumbai, Delhi and Amritsar and FROs at Jodhpur and Ahmedabad, for obtaining changes in visas to travel to Delhi for return by any of the scheduled bus/train services to Lahore. Alternatively, they may also approach the respective FRROs/FROs for making necessary endorsements on their visas to enable them to cross over to Pakistan at the Attari border on-foot.
